## 2020

Dear colleagues,

We are pleased to announce that the 25<sup>th</sup> Spring Meeting of Young Economists (SMYE 2020) will take place at the **Department of Economics - University of Bologna (Italy)** on **June 4 - 6, 2020**.

The goal of the conference is to promote the exchange of ideas and experience among young economists conducting research in all fields of economics. More information about our mission can be found on the website of the European Association of Young Economists: <https://eaye.weebly.com/>.

The upcoming SMYE 2020 is delighted to announce three distinguished keynote speakers: **Davide Cantoni** (Ludwig-Maximilians-Universität München), **Paola Conconi** (Université Libre de Bruxelles), and **James M. Snyder Jr.** (Harvard University). Further details concerning the conference are available on: <http://smye2020.weebly.com/>.

You are cordially invited to submit your extended abstract (between 4,000 and 8,000 characters) or full paper at <http://www.conftool.org/smye2020> by **15 November 2019**. To achieve a fair, unbiased process for the evaluation of submissions we ask authors to submit documents that contain neither their name nor their affiliation. Authors will be informed about the acceptance of their submission by early February. This year's participation fee for accepted participants will be 70 euros. Participants will have to cover their expenses for travel and accommodation. A prize for the best paper will be awarded during the conference.

Spread the news, tell your friends and colleagues! We look forward to meeting you in Bologna!
